1 Q. What does that mean to you?

2 A. It means what it says.

3 Q. Okay. And is that paragraph -- does that
4 comport with your understanding of how compounding
5 pharmacies work?

6 A. Yes.

7 Q. So you understand that in order to buy
8 something from a compounding pharmacy, it's supposed
9 to be purchased through the use of a patient-specific
10 prescription, correct?

11 MR. BEAN: Objection to form.

12 THE WITNESS: But that's not always
13 necessarily the case because we bought from our
14 pharmacy in bulk all the time without
15 patient-specific prescriptions.

16 BY MR. NOLAN:

17 Q. Did you make any effort to determine whether
18 that practice was lawful?

19 A. No.

20 Q. Have you made any effort in this case to
21 determine whether it was lawful for Saint Thomas
22 Neurosurgical service -- center to buy medications in
23 bulk from NECC without prescriptions?

24 MR. BEAN: Objection to form.

25 THE WITNESS: No, I have not.
